

Dear Family,

Thank you for allowing us to partner with you throughout this quarter to help your child learn about Jesus. During the next four weeks, your child will learn how to follow the Leader—Jesus! We will hear about friends and fishermen who followed Jesus. We will learn how Jesus helped a man who could not see. That man then followed Jesus! We will come to understand that everyone can follow Jesus.

Your child will be learning these Bible lessons.

Everyone Can Follow Jesus

Week 1 ♥ Two Friends Follow Jesus (John 1)

Week 2 ♥ Fishermen Follow Jesus (Luke 5)

Week 3 ♥ Mary and Martha Follow Jesus (Luke 10)

Week 4 ♥ Bartimaeus Follows Jesus (Luke 18, Mark 10)

The following verse is our Bible Memory for the unit. Help your child learn and say the verse.

“Jesus said, ‘Come follow me’” (Matthew 4:19, *ICB*).

In class, we will learn that to *follow Jesus* means we do what Jesus did or what He said we should do. We encourage you to use the papers and projects your child brings home to create opportunities for talking further about what it means to follow Jesus. Please let us know of any concerns or suggestions you have. It is a blessing to teach your child.

Serving and following our Leader.
